Re: D.T.E. 03-117-A, Boston Edison Company – 2003 Reconciliation Filing

Dear Secretary Cottrell:

Enclosed for filing in the above-referenced matter is the response to the Information Request set forth on the accompanying list.

Thank you for your attention to this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "Robert N. Werlin", written in a cursive style.

Responses to Information Requests

Information Request DTE-3-1

Information Request DTE-3-1

The Settlement states that the Settling Parties “reduced” by \$4.68 million BECo’s payments in lieu of property taxes, to reflect the actual payment in lieu of property tax amount per agreement with the Town of Plymouth for calendar year 2003 (Settlement at 2-3 § 2.2(a)). The Settlement states that BECo’s actual net payment for 2003 was \$10.136 million (exh. BEC-JFL-2 (Settlement) at 2). This amount is consistent with the Initial Filing (exh. BEC-JFL-2, at 2). BECo’s Supplemental Filing, however, states that the actual net payment in lieu of property taxes for 2003 was \$14.816 million, or \$4.68 million higher than the Settlement figure (exh. BEC-JFL-2 (Supp.) at 2).

Please (a) explain why the Supplemental Filing states that BECo’s actual net payment in lieu of property taxes to the Town of Plymouth for 2003 was \$4.3 million higher than the figure used in both the Settlement and the Initial Filing, and (b) provide complete and detailed documentation to support the information provided in exh. BEC-JFL-2 (Settlement).

Response

- (a) The Supplemental Filing’s net payment in lieu of property taxes (“PILOT”) to the Town of Plymouth for calendar year 2003 was overstated by \$4.680 million between the Supplemental and Settlement/Initial Filings. This was caused by a \$6 million data-entry error in the gross PILOT payments made in 2003 (\$18.995 million vs. \$12.995 million) that occurred when data was being updated in the Supplemental Filing. After adjustment for the 22 percent contract customer share (11 percent each for Commonwealth and NEP/Montaup), the net effect on Boston Edison’s Transition Charge was \$4.680 million. Please note the data-entry error was limited to the Supplemental Filing, only. The contract customers, Commonwealth and NEP/Montaup, were billed the correct amount, which was based on the \$12.995 million payment during 2003.
- (b) Please see Attachment DTE-3-1 for the documentation relating to the PILOT payment. Also, see the responses to Information Requests AG-1-5 and AG-1-8.
